

Aero Executive

Introducing the Aero Executive - a masterpiece of modern Italian design that exudes elegance and sophistication. The seamless fusion of supple premium leather with precision-engineered aluminum creates an unrivaled balance of luxury and contemporary refinement. With its timeless aesthetics, craftsmanship, and sleek, minimalist appeal, the Aero Executive is the ultimate expression of executive prestige and comfort.

Features

Enhance your boardroom with the Aero, a chair designed for both durability and style, crafted from premium materials for a sophisticated touch.

Choose the perfect height to suit your workspace with both midback and highback options.

Genuine leather main front panel upholstery with high quality leather-look backing panel in black.

A concealed steel structure ensures a strong and supportive backrest & seat.

Memory foam provides comfort for those intense boardroom meetings.

Suspended style armrests with pads.

Single lever for height adjustment.

Adaptive backrest with a 4-position locking mechanism and up to 120° recline.

Heavy duty 60mm unhooded castors on a 340mm black powdercoated aluminum 5-star base.

Available in KD (knock-down) for 48-hour dispatch.
