

Anvil System

Anvil System helps meet the unique challenge of providing a collaboration space while retaining elements for focused individual work. Anvil System is a modular, easy to install, open plan solution with configurations for every workplace.

FEATURES

- Simple frame structure with cantilever centre legs, enables additional desks in multiples of two to be added after purchase of initial system.
- Commercial-grade 25mm scalloped worktops finished in white melamine with 2mm PVC edge.
- Additional top colours available, please enquire.
- 50 x 50 x 50mm triangle end frames with flush ground weld with environmentally friendly E4 powdercoat finish.
- Adjustable feet for uneven floors.
- Single, double span leg provides free space and clean lines.
- Optional under desk cable baskets available for cable management.
- Compatible with central Active25 screens 1500/1800mm wide x 480mm high, upholstered in Splice fabric.
