Product Details

Cubit Side Table

# Cubit Side Table

## FEATURES

- Solid steel base with flat foot design, finished in matt black powdercoat
- 20mm thick top with shark-nose wood edge and veneer finish – stain resistant and easy to clean
- Top rotates 360° horizontally
- Designed for laptop use or to support your refreshments during your break
- Pair with Knight's soft seating range for your collaboration spaces

The Cubit Side Table brings smart functionality to modern work and lounge spaces. Its minimalist design and durable steel base make it the perfect companion for soft seating or collaborative zones. With a rotating top for flexible use, Cubit keeps your laptop, coffee, or notebook within easy reach, adding convenience and style wherever you need it.
