FEATURES

- 27mm pinnable substrate
- 100% PET, minimum 60% recycled content
- Absorbs up to 85% of sound energy to improve acoustic comfort
- Impact-resistant
- Humidity and moisture resistant
- Formaldehyde-free
- Fire retardant (EN 13501-1): B-s1, d0
- 1900 g/m² lightweight yet durable
- 100mm radius top corners
- Easy to install

Made from recycled materials, Dart E-panels provide a lightweight yet structurally rigid acoustic solution for modern workplaces. Formaldehyde free and designed to support healthier environments, they offer effective sound absorption. Designed with sustainability in mind, E-Panel screens support zero-waste principles and help create quieter, more considered spaces.
