

DISTRICT

MODULAR SEATING

EDEN

Designed for relaxed modern working and living, District pairs traditional comfort with contemporary attitude.

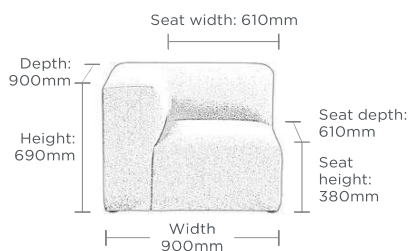

Three simple modules, a multitude of combinations... deluxe-upholstered Corner, Single, and Ottoman work together effortlessly to allow an ultimately flexible breakout space.

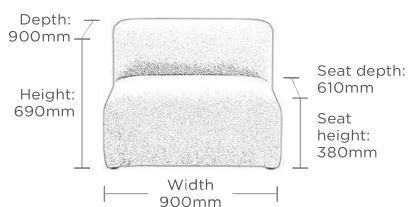

DELUXE-COMFORT
MODULAR SOFT SEATING.

MODULAR SEATING

CORNER

SINGLE

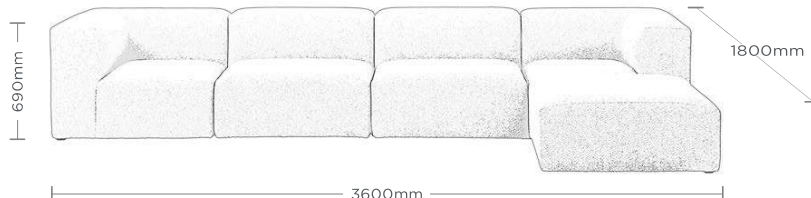

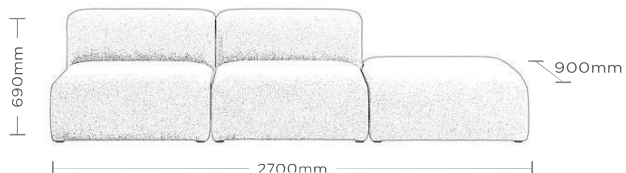

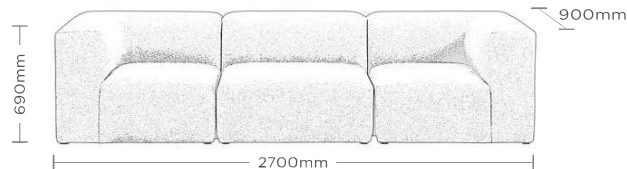

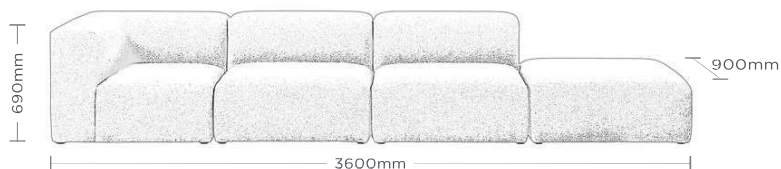

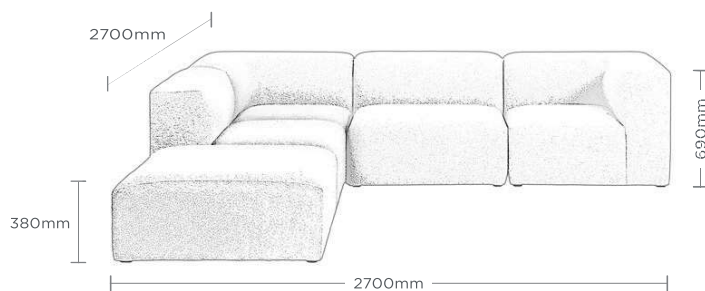

OTTOMAN

Taking inspiration from pared-back residential styling, District features the highest levels of comfort and versatility. The three modular units can be configured in multiple ways to create your perfect personalised breakout or lounge space.

Featuring frames made from sustainable New Zealand pine and high-resilience foam with a memory foam topper, it is luxuriously comfortable, yet sturdy and robust enough to withstand the demands of a commercial environment.

District is upholstered to order in the fabric of your choice.
