

Haven Fixed

The Haven desking range redefines workspace solutions, bringing precision-driven design and quality to every setting. German-designed, the range offers unmatched durability and versatile functionality. Ideal for home offices, businesses, and large-scale fit-outs, it seamlessly blends exceptional design with ergonomic comfort. BIFMA and GreenTag certified, Haven desks ensure reliable performance and safety, making premium desking effortlessly accessible.

Features

Precision-engineered steel frame with a durable powdercoat finish.

Features a 50 x 80mm rectangular leg profile with a 670mm foot.

Tops are made from 25mm commercial-grade E1 board with melamine finish and durable 2mm PVC edging.

Standard SSD & DSD top shapes are rectangular, with options for 100mm radius corners, a scallop, or both.

Desk height measures 740mm including the top or 715mm without.

Extendable cable tray available as an option for cable management (soft-wiring not included).

Compatible with Studio50 and Active25 screens when paired with screen brackets.
