

Ligna Desk

The Ligna family of tables and desks brings the beauty of nature indoors. Sustainably sourced solid oak legs and E1 worksurfaces are integrated with a minimalistic black steel framework to inspire a natural look and feel in the workplace. Ideal for both individual and group spaces, the Ligna range caters to both focused and collaborative work environments.

Features

Add the natural beauty of timber to your workspace.

Commercial-grade 25mm top, available in white or black melamine, with 2mm PVC edging for added protection.

Tops feature a scallop and 35mm radius corners.

Ligna legs are elegant and sturdy, featuring a natural solid oak finish and reinforced by a black powdercoated connector bracket.

The desk frame includes a black powdercoated rail for extra strength and stability.

The leg profile measures 80x40mm, offering a refined aesthetic.

Adjustable stability: the foot height can be fine-tuned by up to 5mm for optimal balance.

The desk stands at 735mm (including the top).

Fast assembly.

Optional cable trays available for a clean and organised meeting space.

Available with a 1500x800, 1600x800, 1800x800 or 2000x800mm top or as a frame-only option.

Please note that due to the natural characteristics of wood, the oak legs may exhibit variations in appearance.
