Thank you for purchasing Knight product.

**Please carefully read the assembly instructions prior to installment to gain a complete understanding of the product.
It provides you with important information about the safety, use, installation and maintenance.**

WARNING: FAILURE TO COMPLY WITH OR OBSERVE ALL ASSEMBLY, SAFETY AND OPERATION INSTRUCTIONS REGARDING THE USE OF THIS PRODUCT MAY RESULT IN SERIOUS BODILY INJURY.

Safety

- The product must be used in a safe manner. Inappropriate use may cause damage to the product and/or cause bodily harm to the user or persons nearby.
- Don't locate furniture in direct sunlight or near air-conditioning inlet or heating radiator.
- Don't put high-temperature or frozen objects on furniture.
- Safely carry product to location of assembly.
- Retain this operation manual and pass it on to any future owner.

Set Up and Installation

- Assemble the product according to the assembly instructions.
- To prevent possible scratches or damage, assemble the product on a soft surface such as a blanket, carpet or packaging.
- Place the product a safe distance from window frames, radiators, furniture etc. so that persons cannot become trapped.

Due to continuous improvement of our products, our assembly instructions may not be in complete accordance with the product and we apologise in advance.

Tools Required: Powered Screwdriver

Ligna Meeting Table - Parts

3 x Legs

18 x ST6x20

NB: This assembly guide only applies to standard 1200mm round tables. For smaller tables, use the template or instructions that come with that table.

Step 1

18 x ST6x20

NB: Print an A4 copy of the Leg Placement Template on the following page. This will help to place the legs in the correct location.

Find the worktop centre, align all 3 legs together, move each leg outwards by 150mm, (use the template on the following page) screw to the worktop centre.

TIP: Pre-mark the leg screw holes, drill a 2mm wide pilot hole, 5mm deep.

Step 1: Find the centre of your 1200 round worktop.

Step 2: Use this 1:1 scale printed template, and align the worktop centre with the centre mark below. Place leg 1 in line with the below dotted line and screw to the worktop 150mm from the centre.

Step 3: Rotate this template 120° and repeat the above step for the remaining 2 legs, ensure each leg aligns with the dotted lines below.
