

Studio Divide

Introducing the new addition to our popular 50mm screen system – a sleek and stylish slat divider.

Studio Divide screens are an excellent option for dividing workspaces and providing employees with a degree of privacy in an open-plan office environment. This solution reduces distractions and increases productivity, creating functional and aesthetically pleasing workspaces that meet the needs of both employees and employers.

FEATURES

- Divides recyclable frame is manufactured from 50mm extruded aluminium with powdercoat finish
- Three standard heights 1200, 1500 or 1800mm
- Five standard widths 900, 1200, 1500, 1600 or 1800mm
- 25mm thick slats are manufactured from E1 Board with a melamine finish and 2mm PVC edging
- Freestanding feet for easy repositioning or relocating
- Easy to install just add the feet
- Select your degree of visibility with straight 90°, angled 30° or 150° slats
