

Polo Bar Leaner

The versatile Polo Bar Leaner features a minimalist steel base paired with a choice of round or square tops. Its compact design is perfect for smaller spaces, while the elevated height makes it ideal for activity-based workstyles. Whether for casual gatherings, stand-up meetings, entertaining, or enjoying a quick bite, this tall table is both functional and stylish.

Features

Tops are made from 25mm commercial-grade E1 board with melamine finish and durable 2mm PVC edging.

Melamine colour options - white, nordic maple, atlantic oak or black.

Available with round Ø800, Ø900 or Ø1000 mm or square 800x800mm or 900x900mm tops.

Durable steel pedestal base with a sleek powdercoat finish, available in black or white.

Pedestal foot dimension Ø580mm.

Overall table height with top 1075mm.
